## DIRECTORY ADVERTISING

**Advertising in the SIPA Directory & Buyers Guide is a great way to reach the publishers and key employees of SIPA's nearly 500 member companies. And unlike ads placed in magazines or other periodicals that may only be glanced at once or twice, your ad will be visible to publishing executives throughout the year as they turn to the Directory to reach their colleagues or suppliers to the newsletter and specialized-information industry.**

**Call (703)992-9339
